

## Working Papers of Industry Association "Nahrungsmittelmaschinen und Verpackungsmaschinen" on the topic "Hygienic and Aseptic Filling Machines for the Food Industry"

Publications cited are available as downloadable file from [www.vdma.org/publikationen](http://www.vdma.org/publikationen) if not stated otherwise. Indicate for machine sector 'Food processing machinery and packaging machinery'. Then search for 'VDMA documents'. For German editions please search for 'NuV Fachverbandsschrift'.

The publications can also be ordered by mail or by facsimile mail from:  
 VDMA NuV Fachverband Nahrungsmittelmaschinen und Verpackungsmaschinen  
 Lyoner Str. 18  
 60528 Frankfurt-Niederrad  
 Fax: 069/6603-1211  
 E-mail: [nuv@vdma.org](mailto:nuv@vdma.org)

Checklist "Quality Assurance and Maintenance" for aseptic filling machines for the food industry German and English VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 3 (English), <b>2<sup>nd</sup> revised edition 2008</b> German, English	1997 (German) 2000 (English)  2 <sup>nd</sup> edition: 2008 (German and English)
Two Methods for Determining Peroxide Residues in Empty Packaging at the Filling Machine – Test Procedures VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 1, <b>revised edition 2011</b> German and English	2000 Revised edition 2011
Hygienic Filling Machines for Liquid and Viscous Foods - Classification and Typical Fields of Application VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 2, <b>revised edition 2016</b> German and English	2006 (German) 2007 (English) Revised edition 2016
Aseptic Production Lines: Unsterility Risks in Product and Feed Lines - Planning and Installation Faults VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 4; <b>new edition 2012</b> German and English	2002 (German) 2003 (English) New edition 2012
Signal exchange for aseptic filling machines - Minimum requirements for safe operation VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 5 German and English	2002 (German) 2003 (English)
Code of Practice Filling Machines of VDMA Hygienic Class V: Testing the Effectiveness Packaging Sterilization Devices VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 6, <b>2<sup>nd</sup> revised edition 2008</b> German and English	2008 (German and English)
What is HACCP? VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 7 German and English	2002 (German) 2003 (English)
Code of Practice Testing Aseptic Plants: Sterilizing the Sterile Zone in a Machine Interior VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 8 <b>2<sup>nd</sup> revised edition 2014</b> German and English	2003 (German) 2004 (English)  Revised edition 2014
Hygienic Filling Machines of VDMA Class IV for Liquid and Viscous Foods Minimum requirements and basic conditions for operation in accordance with specification VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 10 Revised edition 2016 German and English	2005 (German) 2005 (English)  Revised edition 2016
Aseptic Packaging Machines for the Food Industry - Minimum Requirements and Basic Conditions for the Intended Operation VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 11 <b>supersedes VDMA 8742 revised edition 2016</b> German and English	2006 (German) 2006 (English)  Revised edition 2016
Guide to Checking the Microbiological Safety of Hygienic Filling Machines of VDMA Classes IV and V VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 12 German and English	2007 (German) 2008 (English)
Code of Practice Testing Hygienic Filling Machines of VDMA Class V	2006 (German) 2007 (English)

External Sterilization of Packaging Materials VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 14 German and English	
General Requirements on Packaging for Filling Machines of VDMA Hygiene Classes IV and V VDMA-Fachverbandsschriften Nahrungsmittelmaschinen und Verpackungsmaschinen Nr. 16 German and English	2010 (German) 2011 (English)  Revised edition 2019
<b>S. Krüger, R. Zschaler: cleaning and disinfection – comment on DIN 10516,</b> p. 54 – 57, 2010, Beuth publishing house	2010 (German) 2010 (English)
